Consider Donating to the Foundation!

What is the Foundation?

The TASCO Foundation was founded with the mission to “develop a lasting fund that perpetuates itself to fund scholarships, coaching education, and to support special situations for coaches, players, and schools in order to continue to grow high school soccer in Texas.”

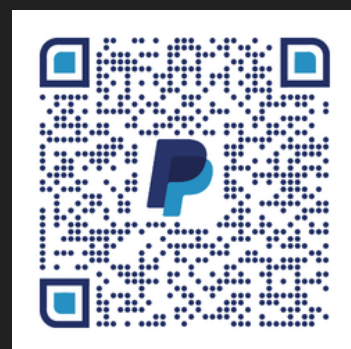

Examples of ways the Foundation hopes to meet the stated mission include:

- Scholarships/Grants to coaches to attend clinics/licensing courses
- Monetary aid to coaches/schools in situations of hardship (Illness, natural disaster, etc.)

How can I help?

You already have! A small portion of your clinic fee this year went to aid the Foundation.

Also, once logged into your account, you can go to your My Subscriptions page and donate directly into the Foundation Fund. 100% of your donation goes directly into the Foundation
